Tsunami Evacuation Facility Improvement Plan

- Bill Busch lead the discussion concerning the Tsunami Evacuation Plan.
- Tillamook County is leading the unincorporated communities in the development of their plans.
- Florence Oregon has completed a plan for the city of Florence and the areas around them.
- The development of our plan will benefit from the completed work of other communitiessuch as Florence .

Tsunami Way Finding Signage Project

- Jean Cameron presented the information from the Beat the Wave Map.
- There are two routes at this point: Salem Ave. Bridge and the trail from Hawk Street to the Neskowin Crest.
- There has been discussion of a possible crossing at the Neskowin Beach Golf Course along the south side of the 9<sup>th</sup> fairway as a secondary route. This is in the beginning stages.
- Tillamook County reports state that Neskowin has the highest number of medically fragile residents in all of the unincorporated areas in the county. This is a major factor for egress from the community.
- The Salem Ave. bridge and Neskowin North evacuation are concerns for future discussion.

New Officer Recommendations  
Tabled until June meeting

Other:

Emergency Road

- Calling it a trail may open new funding possibilities. A second egress (emergency road) package is being put together and sent to our state legislators in Salem. There is hope action will be taken this spring.

Our next meeting will be June 8, 2019. Richard Hook adjourned the meeting.

Respectfully Submitted,

Cathy Benneth

NCAC Secretary
