

Image 1

The series of images begins below at Hawk near the intersection with Corvallis Street and continues north to Neskowin North: The southernmost image is image 1, progressing to the northernmost image, - Image 5. Each image is in a separate file. Each image slightly overlaps the images to the north and south. The images show tax lots superimposed on a Google Earth satellite map which clearly shows the existing road and houses. Areas where there is no right of way for the road, and areas where the actual road is on private land rather than the right of way can also be seen. To view the images in greater detail go the Tillamook County website link:
